AMENDMENT

In reply to the Office Action dated July 2, 2002, the period for reply having been extended for two months by a request for extension and fee payment filed concurrently herewith, please amend the application as follows:

IN THE SPECIFICATION:

Please amend the specification as follows:

Replace lines 10-18 of page 11 with:

→ In the present invention, yarn forming the woven fabric contains a copper compound selected from a group consisting of copper salt and a halogenated copper in a mixture with a halogenated alkaline metal as the stabilizing agents for improving the heat durability. The copper salt includes, for example, copper acetate, and the halogenated copper includes, for example, copper bromide. These copper compounds
